

**About us:** Walimu is a non-profit organization whose overall goal is to improve care of hospitalised severely ill patients in Uganda.

WALIMU seeks to hire a suitable candidate for the position of a **Radiographer** for the Rapid Research in Diagnostics Development for TB (R2D2) study to be based at Mulago Hospital, Kisenyi HC IV, and Kisugu HC III in Kampala. R2D2 study is a multi-center study which seeks to identify and rigorously assess promising early-stage tuberculosis (TB) triage, diagnostic and drug resistance tests in clinical studies conducted in settings of intended use. Successful candidate will report to the Study Coordinator
